EDUCATION

Make School, San Francisco, CA (Remote)
B.S. Applied Computer Science (Expected Aug 2021)

TECHNICAL SKILLS

React.Js, SCSS, Python, APIs, C/C++, NoSQL

PROJECTS

C.H.D. (C++, Audrino - *Hardware Engineer*)
- Built CHD (pronounced Chad), inspired by a personal interest in hardware through hacking Christmas lights and flashing to the beat of the music.
- Produced final product in under 2 weeks and wrote an article about the development process and mistakes learned along the way.

Trilliant.ai   San Francisco, CA
React - *Git Master/Design Lead*   Aug 2020 - Dec 2020
- Updated website to create clean design meeting the clients needs. Collaborated with a team of 4 to design a website.
- Contributed to the website's search algorithm using tags and filters to help users search the website's catalog. Managed all commits to the repository.

EXPERIENCE

Avina Campus   Philadelphia, PA (Remote)
Front End Web - *Early Employee*   March 2021 - Current

- Implemented bug fixes that manipulated the repository which was adopted by the team by utilizing Git and using React.Js and SCSS.
- Organized Technical front-end plan implemented by the team by searching for bugs and creating an easy way for everyone to manage tasks in international time zones.

Make School   San Francisco, CA (Remote)
Front End Web - *Teacher Assistant*   Aug 2020 - Jan 2021

- Promoted a class of 240 students' growth by helping them develop and debug their engineering projects - which were in an abundance of different technologies such as HTML, CSS, SASS, Node.js, Python, and Flask.
- Improved comprehension of concepts preventing 5 students from failing their courses by reviewing, and teaching computer science concepts.

In-N-Out Burger   Bakersfield, CA
Level 2 - *Associate*   Nov 2018 - Aug 2019

- Gain soft skills in a fast-paced environment advancing roles by working on high communication and teamwork-dependent tasks.
- Attained knowledge on how to outperform as an employee. Customers sent positive comments to Higher-ups by doing higher position tasks, and assiduously serving customers in Spanish and English.
